

The Acme Service Group

April 1, 2011

Good day! I hope that by the time you read this the weather is a little better. We have just endured the fourth coldest February in Olympia since records have been kept, and as of this writing, an extremely wet March. Thank you La Nina!

A few items this month...

As you are all aware, due to world events, fuel prices have been rising. If you are on a Budget Payment, we suggest keeping an eye on your balance, as will we, to avoid a large payoff amount in August. If your balance is getting large, give us a call and we can adjust your payment for you.

If your furnace needs a tune up or you are due for your Annual Service, now is a great time to call. We are still fully staffed, yet things tend to slow down this time of year, so we can usually schedule it right away. In addition, if you are thinking of upgrading your equipment or adding air conditioning, give us a call for a no cost, no obligation bid.

In the next couple of months we hope to have our revamped website up and running. It will have a completely new look and some new features; one key feature being the ability to pay your bill through our website with your credit card.

Finally, one more call to "Like" us on Facebook! Once we get to 100 fans, we will have the drawing for the \$100 account credit.

That's it for this month.

Take Care,

Christophe Allen
